

Benefits of Beaver to California & Management Strategies Resource List

Beaver (*Castor canadensis*) are native to California and can be found throughout the state. The following resources describe the important services beaver provide to humans and other species and how to protect property with nonlethal management strategies.

- **Landowners' Guide to Nonlethal Beaver Solutions: How to Help Beavers and Benefit From Them At The Same Time** by Animal Protection of New Mexico, www.apnm.org/campaigns/beavers/land_owner_guide.php
- **Report of the Beaver Subcommittee To The Martinez City Council** (2008). http://www.martinezbeavers.org/wordpress/reports/beaver_subcommittee_reports/Beaver%20Subcommittee%20Report--FINAL%20041608.pdf
- **Report on the Efficacy and Comparative Costs of Using Flow Devices to Resolve Conflicts with North American Beavers along Roadways in the Coastal Plain of Virginia**, submitted by Stephanie L. Boyles (Christopher Newport University, 2006). www.beaversww.org/assets/PDFs/BoylesReport2006-1.pdf
- **The Economic Value of Beaver Ecosystem Services, Escalante River Basin, Utah** by ECONorthwest, 2011. <http://www.econw.com/casestudies/casestudy?study=beavers-ecosystem-services>
- **The Importance of Beaver Ponds to Coho Salmon Production in the Stillaguamish River Basin, Washington, USA** by Michael Pollock, George R. Pess, Timothy J. Beechie and David R. Montgomery (North American Journal of Fisheries Management, 2004). <http://gis.ess.washington.edu/grq/publications/pdfs/Pollock.pdf>
- **Hydrologic and Geomorphic Effect of Beaver Dams and Their Influence on Fishes** by Michael M. Pollock, Morgan Heim and Danielle Werner (American Fisheries Society Symposium 37, 2003). <http://www.albergstein.com/cao/Best Available Science/Fish/Beaver dam effects paper final.pdf>
- **Working With Beaver For Better Habitat Naturally** by Sherri Tippie (Wildlife 2000, 2010). www.grandcanyontrust.org/documents/ut_workingBeaver2010.pdf
- **Utah Beaver Management Plan 2010 – 2020** Utah Division of Wildlife Resources (2010). www.wildlife.utah.gov/beaver_plan_2010-2020.pdf
- **An Innovative Solution for Water Storage and Increased Late Summer Flows in the Columbia River Basin** - by Brian Walker, Amanda Parrish, Mike Petersen, Anne Martin, Osha Morningstar, and Kat Hall (The Lands Council, March 2010). www.landscouncil.org/documents/Beaver Project/The Lands Council Beaver Solution 1mar2010.pdf
- **Beaver As a Climate Change Adaptation Tool: Concepts and Priority Sites in New Mexico** by Cathryn Wild (Seventh Generation Institute, 2011). www.seventh-generation.org/files/Beaver As a Climate Change Adaptation Tool - Concepts and Priority Sites in New Mexico2.pdf
